The OSR User-Questionnaire

Work Party Members OSR Questionnaire

Chair: James Dadd (GBR),

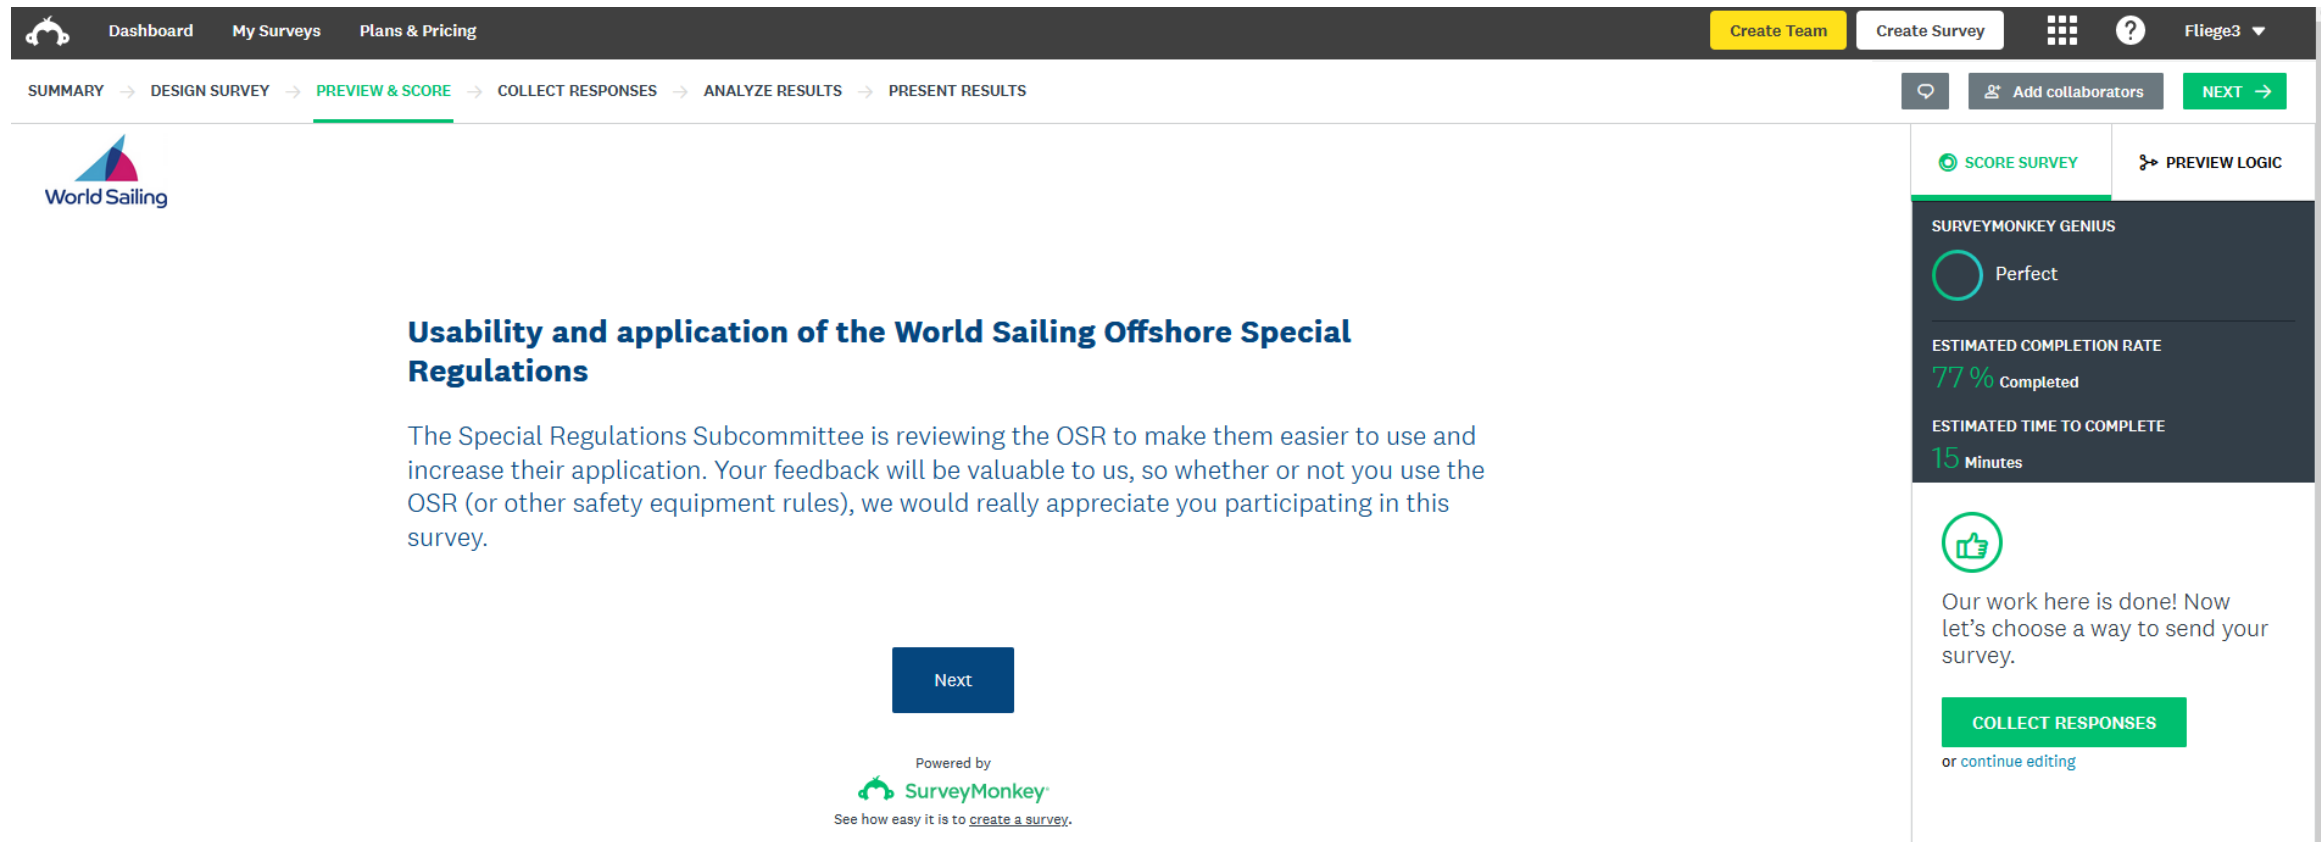

Vice-Chair OSR Refinement: Richard Hinterhoeller (CAN)

Vice-Chair OSR User Survey: Johannes Christophers (GER)

- Why a questionnaire?
 - The plan: re-write the OSR
 - The problem: entire format /content and appearance make use of OSR complicated
 - The definition: find out, how OSR are used and what users want
 - The solution: an online survey, to exactly find out where we need to put the focus

- Goals
 - Separate sections for MNAs, OAs, designers (focus)
 - vs. sailors, commercial users
 - get a picture of how the OSR are used
 - Understand the problems users may have
