

Equipment Rules of Sailing

D.1.1 Hull

A submission from Equipment Committee, Classes Committee and the 420 Class

Purpose or Objective

To improve the definition of Hull, and to make it possible to be used by the RRS.

Proposal

D.1.1 Hull

The **hull** shell including any transom, the deck including any superstructure, the internal structure including any cockpit, wings or racks, the ~~fittings associated with~~ installed on these parts and any **corrector weights**.

Current Position

As above

Reasons

1. Wings and racks are parts of the hull in skiffs and other boats and that should be reflected in the definition of Hull.
