

Racing Rules of Sailing

Rule 87

A submission from the Chair of the Racing Rules Committee

Purpose or Objective

Clarification on requirements for changes to the class rules.

Proposal 1

Amend 87 as follows:

- 87** The notice of race may change a class rule only when the class rules permit the change, or when **valid** written permission of the class association for the change is posted on the official notice board.

Current Position

The rule above includes changes agreed in 037-21.

Reasons

1. Some classes, such as WS classes require more than just permission from the class association. Without the additional requirements, such permission would not be valid permission.
