

Racing Rules of Sailing

Rule 89.2(a)

A submission from the German Sailing Federation (Deutscher Segler-Verband)

Purpose or Objective

Adding a missing word for consistency with Rule 90.2(a).

Proposal

89.2 Notice of Race; Appointment of Race Officials

- (a) The organizing authority shall publish a **written** notice of race that conforms to rule J1.

Current Position

as above

Reasons

Rule 90.2(a) states that 'written sailing instructions' shall be published. It therefore seems inconsistent that the notice of race does not have to be published in writing.
