

Racing Rules of Sailing

Appendix S - 9.1

A submission from the German Sailing Federation (Deutscher Segler-Verband)

Purpose or Objective

Delete a rule of Appendix S that repeats the Racing Rules of Sailing.

Proposal:

SAILING INSTRUCTIONS

...

9 THE START

~~9.1~~ Races will be started by using RRS 26.

~~9.2~~ **9.1** The starting line will be between a staff displaying an orange flag on the race committee vessel and the course side of the starting mark.

Current Position

as above

Reasons

1. If not changed by the notice of race of sailing instructions, rule 26 always applies to starting procedures.
 2. Appendix LG states that the sentence that this submission proposes to be deleted should be used '*only if the warning signal will not be made 5 minutes before the starting signal.*'. Therefore, the application of rule 26 should not be mentioned in Appendix S.
