Status: Approved

Amendment One

DELETE - C.6 CREW WEIGHT

Delete Rule C.6 including all 5 sub-clauses

~~C.6 Crew Weight~~

~~C.6.1 The TASAR, while racing in all sanctioned events, shall carry a minimum total crew weight of 130 kgs. The crew shall be dressed in shirts and shorts, swim wear or the equivalent, without shoes, all dry, at weighing in.~~

~~C.6.2 In the event that the weight of the crew, thus weighed, shall be less than 130 kg, such crew may race the TASAR, provided that, throughout the event, ballast equal in weight to at least the difference between the crew weight and 130 kgs is carried secured in the cockpit. The ballast carried need not exceed 12 kg.~~

~~C.6.3 At sanctioned events, the Race Committee shall weigh and record the weight of each crew.~~

~~C.6.4 Each crew shall ensure they maintain a minimum weight of 130 kgs at all times when racing.~~

~~C.6.5 Nothing shall prohibit local, national or international authorities from lowering the specified minimum crew weight for special events where the nature of the event warrants this action, such as all women events, junior events, etc.~~

Amendment Two

CLAUSE RENUMBERING DUE TO AMENDMENT ONE

C.7 -> C.6

C.8 -> C.7

Amendment Three

MODIFY RULE C.5.1. DUE TO AMENDMENT ONE

Old:

C.5.1. It is the intent of these class rules that the same two people should be able to sail together throughout an event without disadvantage. Subject to C.6, a minimum of two persons shall race the TASAR, but nothing shall prevent three or more persons from racing, provided that the same number of persons sail together for the entire event. Nothing shall prohibit a change of helmsman during a race, nor a change of forward hand during an event, subject to the helmsman accepting the onus of proving that no systematic attempt has been made to sail with heavy crews in heavy weather and light crews in light weather.
