

Racing Rules of Sailing

RRS E1.1 Definitions

A submission from the Croatian Sailing Federation

Purpose or Objective

Connected to proposed change to E5 this rule is not necessary.

Proposal

E1.1 Definitions

~~Add to the definition Conflict of Interest:~~

~~However, an observer does not have a conflict of interest solely by being a competitor.~~

In the definition *Zone* the distance is changed to four hull lengths.

Add new definition:

Disabled A boat is *disabled* while she is unable to continue in the heat.

Current Position

As above.

Reasons

1. Connected to proposed change of E5 this rule is not necessary. Furthermore competitor is *interested party* and as observer sh/e is, in spite of definition, perceived as such. When acting as an observer, competitors can make calls that may affect their competition and it is impossible to exclude conflict of interest
