Regulation 31.15

A submission from the Race Officials Committee

Purpose or Objective

To amend the Regulation 31.15 by changing the reapplication time for WS Race Officials after the termination of their appointment.

Proposal

31.15 A World Sailing Race Official whose appointment has ended within the last ~~42~~ 8 months may re-apply and be considered as a candidate for re-appointment (that is having to meet the requirements for re-appointment and not first appointment). After ~~42~~ 8 months the Race Official must apply as a candidate for first appointment.

Current Position

As above.

Reasons

1. The reason to shorten the period in this regulation is to align Regulation 31.15 with Regulations 31.4 and 31.7(b). Applications for renewal of Race Officials must be received by the Executive Office by September 1 in Regulation 31.7(b). This is 8 months, and not 12 months after a World Sailing Race Official's appointment ends on December 31 in Regulation 31.4.
