

Equipment Rules of Sailing

C.4.9 Equipment Regulations

A submission from the Equipment Committee, Classes
Committee and 420 Class

Purpose or Objective

To add the Equipment Regulations as a term

Proposal

Add new item

C.4.9 Equipment regulations

Rules published by the event technical committee that govern the **event equipment inspection**.

Current Position

As above

Reasons

1. Event Technical Committees are responsible for drafting and publishing technical documents which prescribe the equipment inspection processes and procedures and deal with equipment related matters. These may be found as “Measurement instructions”, “Measurement or Equipment regulations” etc. The submission makes these documents provides a common term to identify them.
