- 1. Olympic Vision**
The OCSC notes concerns about the requirement of supplied equipment for all events (regardless of the equipment).
- 2. The OCSC recommends that any format testing for the LA 2028 Games is finalised by mid-year 2025. New formats need to be tested in elite level multiclass events.**
- 3. The OCSC recommends that the board prioritizes the implementation of the new ranking system, approved in 2018. The new rankings could be well used for media communication and building stars.**
- 4. The OCSC recommends that World Sailing and classes media efforts are better coordinated at the combined world championships to maximise media output.**
- 5. The OCSC recommends that World Sailing maximises efforts in the area of digital officiating and develop a clear digital officiating strategy to use at it's major events.**
