

Board Recommendations to Council

This “yellow paper” is a summary of the Recommendations made by the Board on the 2024 Mid-Year Submissions

MYM 2024 Submissions

To consider and give an opinion on the following submissions:

Subsequent to the submission deadline of 21 March 2024, the Executive Office has received a total of three submissions for consideration at the 2024 Mid-Year Meeting. All these submissions relate to Regulation 23; these are accepted as urgent as required by Regulation 15.6.(C) which was passed at the 2023 Annual Conference. It should be noted that the World Sailing Board considered these submissions at its meeting on the 25 March 2024 and agreed that they will be recommending that all three submissions are deferred (or rejected). The Board appreciate the work done by the Reg 23 working party, however, believe it requires input from the Governance Sub Committee and the World Sailing Board. They will provide an update and a pathway forward at the 2024 Mid- Year Meeting.
