| 10:00 - 11:00 | <b>Welcome: Meet &amp; Greet - Coffee</b>                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| 11:00 - 11:40 | <b>Keynote Speaker – Room 309</b>                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| 11:45 – 12:00 | <b>Move to Breakout</b>                                                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| 12:00 - 13:00 | <b>Giving Back: Equipment Lifecycles – Room 309</b><br>This panel discussion will explore the importance of extending the life of equipment, how you can help give back to others and operate an equipment exchange or recycling program.                                                     | <b>The Pathway from Club Race Officer to a National Race Officer &amp; Beyond – Room 310</b><br>Join us for the launch of the World Sailing National Race Management Program. Learn about the new program and understand how MNAs can benefit from the new program.                                                                                                                                                                                                                   |
| 13:00 – 13:45 | <b>Lunch</b>                                                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| 13:45 - 14:45 | <b>Stronger Together: Leveraging Continental Sailing Affiliations – Room 309</b><br>Hear from regional sailing association leaders as they share their experience in supporting MNAs as well as exploring the role regional games can have in development.                                    | <b>Unlocking the Future of Regatta Hosting – Room 310</b><br>Join us for a transformative workshop designed to revolutionize your approach to hosting events in the ever-evolving landscape of sailing. In this hands-on experience, you will embark on a journey to build a fictional regatta. Participants will be challenged to navigate various scenarios from resource allocation to unexpected hurdles, while discovering the importance of collaboration and shared knowledge. |
| 14:45 - 15:00 | <b>Break</b>                                                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| 15:00 – 16:00 | <b>Rock-Up &amp; Race – The Emergence of a New Event Format – Room 309</b><br>With equipment costs increasing and a shift in lifestyles being an ever-important factor, join this discussion on the different way events supply equipment to ensure maximum participation and access for all. | <b>Effective MNA Leadership – Room 310</b><br>Listen to MNA leaders share their experiences of how to equip sailing club leaders, coaches, and youth mentors with a comprehensive model to foster a strong foundation for a National Federation. The session will include time to ask questions and share experiences from other attendees.                                                                                                                                           |
| 16:00 – 16:30 | <b>Theme Collision – Room 309</b>                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| 16:30 – 17:00 | <b>Day 1 Wrap Up – Room 309</b>                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
