

World Sailing Code of Ethics

1. Introduction

As part of the Governance Reforms, we have updated the Code of Ethics and moved all disciplinary which was previously under Regulation 35 and 36 to fall under the new Code of Ethics.

The previous Code of Ethics was approved on 8 November 2014 and amended subsequently on 3 November 2018 and 19 May 2019 so this is a timely review and update.

The document has already been reviewed by the Constitution Committee and the Chairs of Ethics Commission, the Judicial Board and the World Sailing Board and is now before you for approval.

2. Recommendation

1. The Council is requested to note the report
2. The Council is requested to approve the New Code of Ethics proposed.
