

Offshore Special Regulations – 3.18

In response to a request for an interpretation regarding OSR 3.18, a panel was formed as specified in World Sailing Policy J4 1.4(e).

Interpretations requested related to the questions follow:

1. *Does a Permanently Installed toilet require thru hull fittings?*

No.

2. *Would a holding tank suffice or even a chemical toilet if the bowl is not removed during or for racing?*

Yes, if permanently installed. Attention is drawn to point 1 of the Offshore Racing Environmental Code and OSR 2.04.1.
