1. Opening of the Meeting

a. Welcome by the Chair

Aileen Loo opened the meeting by welcoming all members.

b. Apologies for Absence

Apologies were received from Jurgen Cluytmans (BEL) and Agnes Lill (EST)

2. Minutes of the Previous Meeting

The minutes of the previous International Measurers Sub-Committee meeting held on 6th March were approved with no further matters arising.

3. Workplan

Aileen Loo updated the sub-committee on the requirement of a yearly workplan and shared the proposed work completed by the Aileen and Alistair as Chair and Vice Chair. The sub-committee supported the objectives identified and collaborated on minor amendments and additions.

ACTION - The final draft will be shared via email circulation to all committee members

c. Mentorship

AL update the sub-committee with the proposed opportunities available for mentorship in future event appointments.

WS RO Manager Megan Griggs highlighted this was the beginning of the discussion on mentorship and called on the expertise of this sub-committee to provide further thought as to the best strategy for implementing mentorship opportunities, identifying which events are most suitable and how a group of measurers could be upskilled and briefed on the role of mentoring. Barry Johnson highlighted the importance of mentorship within event appointments to ensure new IMs are correctly following procedure for the

ACTION – DD and BJ to lead an offline discussion on this topic and initiate a proposal for mentorship at events.

d. Race Official Applications

The International Measurers Sub-Committee reviewed the applications received for International Measurer status and finalised the recommendations to take forward for review by the Race Officials Committee.

e. AOB

- a. No additional business discussed.
