

The Royal St. George Yacht Club is delighted to welcome delegates of the World Sailing Conference from November 2 to 8, 2025. The club is extending honorary membership to all delegates of the Conference for the duration of the week and we hope that you will enjoy the facilities of our historic club, including our coffee shop, open daily from 9am, and our bar and catering facilities.

Dun Laoghaire (pronounced Dun Leery) is the perfect venue for the conference. The town benefits from having four yacht clubs within the harbour, with a combined membership of over 5,000 members. Boasting the largest marina in Ireland, the second largest protected harbour in the UK and Ireland, and a large, protected bay with beautiful coastline, Dun Laoghaire is the centre of sailing and watersports in Ireland.

Established in 1838, the Royal St. George Yacht Club, and our paladian style Georgian clubhouse, is the largest of the four yacht clubs and is the perfect setting to celebrate the achievements of sailors around the globe and to plan for the future direction and success of our sport.

The Flag Officers and members of the Royal St. George Yacht club look forward to welcoming all World Sailing delegates to our club.
