3 Eligibility and Entry

3.1 Only competitors, team leaders and coaches registered by a MNA in good standing with World Sailing are eligible to enter the Youth Sailing World Championships.

3.2 On 1 March 2022, World Sailing published the following recommendations in reaction to the situation in Ukraine: <https://www.sailing.org/2022/03/01/world-sailing-statement-6/> . This position is unchanged at the date of publishing this NOR. To help preserve the integrity and safety of the 2026 Youth Sailing World Championships, entries shall be open to competitors of all MNA's, but not to competitors holding only Russian or Belarussian nationality **unless they are sailing as neutrals in accordance with World Sailing Neutrality Policy or they are sailing under a Residence Certificate issued by World Sailing in accordance with the World Sailing Eligibility Code**. World Sailing may amend this rule following any further decisions made on the participation of Russian and Belarussian competitors.

3.3 MNAs shall submit the Entry Request Form and pay the required fees, considering the following deadlines:

Date	Deadline
15 May 2026	Entry request deadline – all entry requests must have been received
1 June 2026	Payment deadline – all payments must have been received
1 November 2026	Online Registration Deadline - Deadline for all information to be received

- 3.4 To remain eligible, a representative of the MNA must complete the online registration for all their national team by 1 November 2026.
- 3.5 World Sailing Eligibility under the World Sailing Eligibility Code is required. Each athlete shall have a World Sailing ID.
- 3.6 Competitors shall be above the age of 12 years and under 19 years on 31 December 2026 (born after 31 December 2007 and no later than 31 December 2014).
- 3.7 Unless otherwise approved by the IOC or World Sailing under the Eligibility Code, each competitor shall be a national of the country of the Member National Authority (MNA) that enters the boat. Each competitor shall present proof of their nationality or the approved waiver when requested.
- 3.8 A MNA may enter one crew in all or any of the following events:

Event	Equipment	Event	Equipment

Female One Person Dinghy	ILCA 6	Male Kiteboarding	FormulaKite

Female Skiff	29er		

- 3.9 Gender requirements will apply as per the table in 3.8.
- 3.10 Each MNA may enter up to a maximum of six coaches. The number of coaches an MNA is allowed to register is determined by the number of events with different equipment where the MNA has sailors competing. One coach will act as the team leader.
- 3.11 A MNA that has not yet selected a team before the 1 November 2026 deadline must provide World Sailing with information about its schedule for selecting a team. However, this does not exempt the MNA from paying the entry fee before the deadline. No additions or changes to the entry list can be accepted after 1 November 2026 without the written approval of World Sailing and in consultation with the OA and the equipment suppliers.
- 3.12 The maximum number of entries (event quota) for each of the 11 events is set out in the following table:

Event	Quota (boats)	Event	Quota (boats)
Male Windsurfer	40	Male/Mixed Two Person Dinghy	30
Female Windsurfer	40	Female Two Person Dinghy	30

Male One Person Dinghy	60	Mixed Two Person Multihull	15
Female One Person Dinghy	60	Male Kiteboarding	20
Male/Mixed Skiff	30	Female Kiteboarding	20
Female Skiff	30		

- 3.13 World Sailing may modify the quota for an individual event in consultation with the OA and the equipment suppliers. It may cancel an event if fewer than 10 entries are confirmed.
- 3.14 Entries will be listed in the order that the Entry Request Form is received. A waiting list will be created if the number of entry requests exceeds the quota for each event at any time. Thereafter, if a place becomes available, entries will be allocated in the order in which the Entry Request Form is received until the event quota is reached. An entry can only be confirmed once full payment has been received. After 1 June 2026, World Sailing may cancel any entry for which full payment has not been received.
- 3.15 Other Requirements:
- 3.15.1 Competitors and the support team will receive an accreditation card at registration at the venue, which must be displayed at all times. Access to competitor's preparation and competition areas can be restricted.
- 3.15.2 An entry is not complete until the boat has completed registration at the venue. Registration may include equipment and entry checks. Team Leaders shall complete the Entry Data Checklist provided at registration.
- 3.15.3 The Medical Treatment Permission and Medical History forms must be submitted for each competitor no later than team registration. This form does not give dispensation for taking prescribed medication. Procedures as provided in the World Sailing Anti-Doping Rules must be followed for medical declarations.
- 3.15.4 [DP] [NP] Each team must bring a 250ml bottle containing water from their home seas or lakes for the Mixing of the Waters Ceremony.
- 3.15.5 [DP] [NP] Each team is required to bring to the venue **2 (two)** of their national flags in approximate size 1.0 x 1.5m.

4 Fees and Damage Costs

- 4.1 Fees are stated in Euros and include any local taxes. World Sailing acts as an agent and collects the entry fee for the event on behalf of Capable Planet Clube Náutico.

Event	Entry Fee	Late Entry Fee
One Person Events	€ 1550	€ 2,000
Two Person Events	€ 3,100	€ 4,000
Team Leaders and Coaches	€ 1550	€ 2,000

4.2 If the national authority cancels an entry, the entry fee will be refunded as follows:

Cancelation Date	Entry Fee Refund
Before 1 June 2026	100%
Between 1 June and 1 September 2026	50%
After 1 September 2026	No refund

4.3 There is a non-refundable Admin Fee of €10 per bank transaction.

4.4 Damage Costs System (not applicable to Kiteboarding events):

4.4.1 World Sailing does not require MNAs or competitors to lodge damage deposits before racing. By entering the Event, MNAs expressly agree to follow and comply with this damage costs system without delay or dispute.

4.4.2 By entering a competitor in each event, an MNA is liable on behalf of their competitor for up to €500 of damage costs per incident/per boat. An “incident” is each separate instance of damage being identified by the OA or its representatives.

4.4.3 The TD, on behalf of the OA and the suppliers, will make all decisions on liability or the quantum (amount) of any damage. The decision of TD is final, and MNAs and competitors agree to accept it without dispute.

4.4.4 If an MNA is assessed liable for damage costs, the TD will issue a damage notice and send it to the MNA Representative at the event. The MNA representative shall pay the amount stated on the damage notice to the supplier before continuing to participate in the Event.

4.4.5 Failure to comply with a damage notice is a breach of this Appendix, and the TD may take any of the following actions:

- a. disqualify the competitor in question (and any other competitors from that relevant MNA) without a hearing from any races sailed;
- b. exclude the competitor (and any other competitors from that relevant MNA) from further participation in the Event; and
- c. Reallocate any prizes immediately to other competitors.

This amends RRS 60.5 b).

4.4.6 The TD or World Sailing may amend or cancel a damage notice at any time and may reinstate any competitors disqualified or excluded.

4.4.7 If any damage notice is not paid by the end of the Championships, World Sailing will issue an invoice for the same amount to the MNA. Failure to settle this invoice will mean that the MNA is not in good standing with World Sailing and may be suspended from World Sailing membership by the World Sailing Board.

5 Accommodation, Meals, Airport shuttle and Equipment

5.1 Accommodation and meals will be provided to all participants, starting with the midday meal on 11 December 2026 and ending with breakfast on 19 December 2026.

5.2 An airport shuttle from Faro Airport (FAO) to the official accommodation and back will be provided if flights arrive on 10 or 11 December 2026 and depart on 19 December 2026.

5.3 Each MNA must submit all arrival details for their team members to the OA by 1st December 2026. The OA may refuse to provide the airport shuttle if the arrival details are not received by the deadline.

- 5.4 Except for Kiteboarding, where athletes must bring their own equipment, the equipment will be provided free of charge to the competitors as specified in Addendum A.
- 5.5 Only the supplied equipment and permitted personal equipment are allowed in the boat park.

6 Risk Statement

- 6. Sailing is, by its nature, an unpredictable sport and, therefore, inherently involves an element of risk. Competitors and support persons participate in the event entirely at their own risk. RRS 3 states: "The responsibility for a boat's decision to participate in a race or to continue racing is hers alone." By taking part in the event, each competitor agrees and acknowledges that:
 - 6.1 They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event;
 - 6.2 They are responsible for the safety of themselves, their crew, their boat and their other property, whether afloat or ashore;
 - 6.3 They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;
 - 6.4 By participating in any race, they are satisfied that their boat is in good order, complies with the class rules, is equipped to sail in the event, and they are fit to participate;
 - 6.5 The provision of a race management team, patrol boats, umpires and other officials and volunteers by the organiser does not relieve them of their own responsibilities;
 - 6.6 The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances.
 - 6.7 It is their responsibility to familiarise themselves with any risks specific to this venue or event that are drawn to their attention, including any rules and information produced for the venue or event, and to attend any safety briefing held for the event.

7 [DP] [NP] Media Rights

- 7.1 By participating in the event, competitors and support team automatically grant to the OA, World Sailing and their sponsors the right in perpetuity to make, use and show, from time to time at their discretion, any motion pictures and live, taped or filmed television and other reproductions of the athlete during the period of the competition without compensation.
- 7.2 Competitors may be required to be available for interviews during the regatta.
- 7.3 The attention of all competitors and support team personnel is drawn to the privacy notices published on World Sailing's website: <https://www.sailing.org/privacy-policy/>

8 [DP] Code of Conduct

- 8.1 Competitors and support persons shall comply with any reasonable request from World Sailing, a regatta official or equipment supplier representative.
- 8.2 Competitors shall handle any boats or equipment the OA provides with proper care and seamanship and in compliance with any written instructions.
- 8.3 World Sailing may reduce or remove a prize in the case of misconduct or refusal to comply with any reasonable request, including attendance at official functions.

9 [SP] Identification and Advertising

9.1 When provided by the OA, boats or competitors shall carry, display or wear the following as instructed:

- 9.1.1 Bibs for all competitors;
- 9.1.2 Coloured bibs for Event leaders (1st, 2nd and 3rd);
- 9.1.3 Bow number;
- 9.1.4 Event advertising/branding stickers;
- 9.1.5 Country Codes for boats and sails;
- 9.1.6 National Flags for sails;
- 9.1.7 Cameras, camera dummies and sound equipment; and
- 9.1.8 Tracking and timing system equipment.

10 [NP] [DP] Safety Regulations

Competitors shall always wear personal flotation devices while afloat, except briefly while changing or adjusting clothing or personal equipment. The Technical Committee reserves the right to reject any buoyancy jacket which it considers unsuitable. When no specifications are given in the class rules, personal buoyancy complying with minimum standard ISO 12402-5 (CE 50 Newtons), or USCG Type III, or AUS PFD 1, or EN 393, will be accepted.

- 12.4 The equipment will be allocated by a draw arranged by the TD and each of the equipment suppliers before the event. Each athlete shall retain the same equipment throughout the regatta.
- 12.5 Any boat or equipment may be inspected at any time.
- 12.6 A Technical Committee has been appointed under RRS 92.
- 12.7 The fact that race officials may conduct boat inspections does not reduce the responsibilities of each competitor set out in this NOR, the RRS and any other rules that govern the event.
